E-Invoicing Exchange Summit Dubai: Accelerator for Digitization

Switzerland, December 2024 –The Middle East and Africa are experiencing a rapid evolution in E-Invoicing and VAT reporting. Following the success of the 2nd E-Invoicing Exchange Summit in February 2024, the event will return to Dubai from February 10 to 12, 2025.

The Middle East has emerged as a global hotspot for fintech innovation, fostering an ecosystem that attracts entrepreneurs, investors, and technology enthusiasts from around the world. In this context, the 2025 edition of the E-Invoicing Exchange Summit will focus on the region's unique requirements and experiences, with a particular emphasis on the UAE's pioneering efforts in digital transformation. The UAE's comprehensive plan to expand e-invoicing compliance by 2026 demonstrates its strong commitment to innovation and the acceleration of digital transformation within its economic framework.

Key Agenda Highlights

- **Mastering E-Invoicing:** Practical steps to achieve compliance and improve efficiency.
- **Convergence of digital real-time controls** and business automation: Insights into integrating technology and regulatory frameworks.
- Managing tax compliance risks: Strategies for **navigating the evolving tax landscape**.
- Big Data vs Big Brother: Examining the role of **transparency** in driving indirect tax consolidation.
- Streamlining **compliance for UAE E-Invoicing** with SAP
- **Interoperability for seamless global trade:** Enabling smooth cross-border transactions through standardized processes.

The Summit will also feature an exhibition showcasing leading industry partners specializing in E-Invoicing, tax reporting, payment solutions, and process automation. Attendees will have the opportunity to engage with cutting-edge solutions and network with experts shaping the future of digital tax compliance.
