

## Press Release

### **E-Invoicing Exchange Summit Miami: Shaping the Future of Digital Business**

*Switzerland, February 2025* – The **E-Invoicing Exchange Summit** Miami will take place from March 24 to 26, 2025, bringing together industry leaders, experts, and practitioners to explore the latest developments in E-Invoicing, digital transformation, P2P automation, tax and global interoperability. This premier event will feature interactive workshops, thought-provoking presentations, and compelling case studies, making it a pivotal gathering for advancing the E-Invoicing landscape.

The pre-conference day on March 24 will include:

- + GENA Academy Essentials: A workshop demystifying E-Invoicing concepts, frameworks, and global interoperability challenges.
- + DBNAlliance Meeting: A comprehensive update on the North American B2B digital highway, including framework applications and live demonstrations.

During the main conference days, March 25-26, attendees can look forward to:

- + Keynote: Opportunity of the Century - AI, presented by Bilal Zafar.
- + Practical case studies: Halliburton's E-Invoicing business to government (B2G) deployment, insights into NuSkin's global E-Invoicing consolidation and Jabil's centralized approach to compliance.
- + Interactive Roundtables: Discussions on topics such as ESG Reporting, B2B E-Invoicing in Germany, Real-Time E-Invoicing, and market adoption strategies.

Networking opportunities, including the Icebreaker Reception and the Networking Dinner, will provide a valuable platform to connect with peers and industry pioneers in a collaborative environment.
